

BEATRIX SPARKLING ROSÉ NV

DESCRIPTION

The Beatrix Sparkling Rosé is made from Merlot grapes grown in a single densely planted block of Alpha Domus estate vineyard. This block was established in 1993 and is uniquely suited to producing excellent rosé wines. The grapes were harvested specifically to make this wine ensuring light colour, berry fruit aromas and above all freshness on the palate.

AROMA

An array of berry fruit aromas backed up with red apple and hints of rosehip.

PALATE

The berry fruit flavours continue through on the palate with strawberry and cream to fore. A refreshing undercurrent of raspberry acidity completes the palate.

CELLARING

The crown cap that seals this sparkling rosé will protect the freshness and effervescence of the wine for several years. Maturation will be very slow and over time will reveal more complexity.

FOOD

Beautiful to enjoy on its own, and a perfect complement to lunch and late afternoon antipasti.

ANALYSIS AT BOTTLING

Alcohol - 12.0%/ vol pH - 3.32

Titrateable Acid - 6.0 g/l RS - 5 g/l

Bottling Date - 9 September 2016

Variety - 100% Merlot

Lot Number - L1616

Allergens - Sulphites and fish

Net Quantity - 750 ml
