

Rosé — 2019

COLLECTION

Collection wines: perfectly balanced fresh and elegant, with delicious drinkability

VINEYARDS

Crafted from a block of Merlot that was part of the original plantings at Alpha Domus. More densely planted than all our other blocks of Merlot.

WINEMAKING

The grapes are ideally suited to making our pale, European inspired rosé. Harvested early at optimal ripeness for rosé. The juice is quickly and gently pressed off skins to produce lightly coloured juice with perfect balance of fruit flavour, texture and brightness of acidity.

TASTING NOTE

A fragrance of sweet spring blossoms, juicy red fruits and a hint of pink musk rose. Lovely on the palate with a delicate interplay of plum and red apple sweetness. Softly textured, fresh and mouth watering with flavours that linger. Perfect noon to night, for Rosé lovers just like us, since our first 1997 Rosé vintage. Rosé crafted from our original Merlot plantings.
